

2013 ANNUAL REPORT

WorldMontana®

Happy spring to our friends!

I encourage everyone to check out our website (WorldMontana.org) or Facebook page, if you haven't already. Those are the two consistent places that we post information about upcoming events, fundraisers, visitors and of course the Community Summit. If you haven't done so yet this year, I encourage you to renew your membership online via PayPal if you wish to use a credit or debit card. New this year, you can renew at the Community Summit and annual meeting with credit or debit card. It has been a busy year at WorldMontana® and once again the year has flown by! We had a fun year with three successful Diplomats on Tap events and a whole host of international visitors covering topics ranging from aviation to environmental issues. We were so pleased to make a connection with the Rumsfeld Foundation and host one of their exchange groups from Central Asia in October.

Through the State Department's International Visitor Leadership Program we were able to host 133 visitors in 2013; given budget cuts and shutdowns we are very pleased with that number. We hosted two youth programs, one with Brazil and one with Iraq and were able to bring two Open World

programs to Montana. We were also able to enjoy two Teaching Excellence & Achievement programs (TEA) with Montana State Universities Office of International Programs (OIP). We are all so grateful for such a wonderful partnership with OIP!

We are right on track for a fantastic 2014 with 88 visitors already slated for the year. Looking ahead to the remainder of 2014, we've added two new programs, the US-UK Young Leaders during the summer and the 10th anniversary ACCESS workshop in April. More details soon!

With the help of each Montanan . . . we truly are changing the image of the US around the world, one person, one friend at a time.

Cheers!
